i NOTE: The following analyses focus on Delivered sales records.

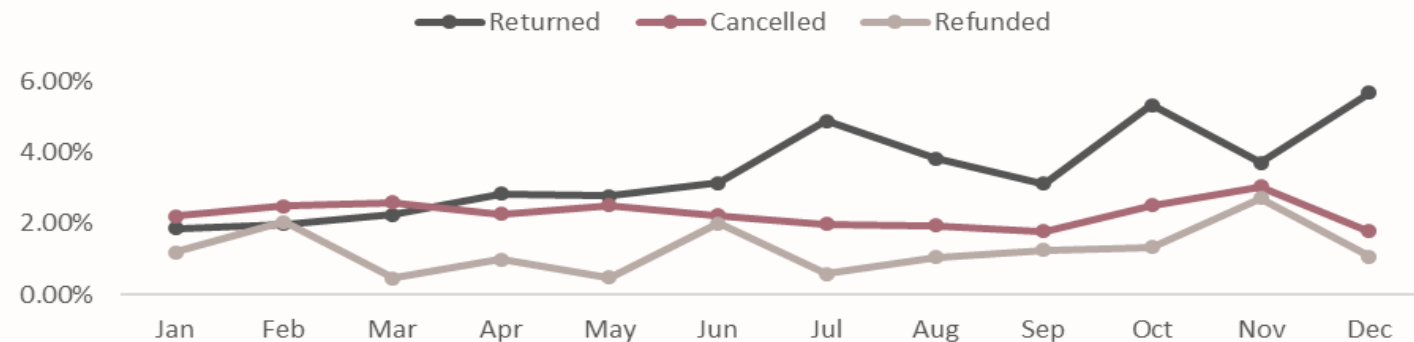

MONTHLY PERFORMANCE

Delivered sales declined toward year-end, while Returned records became more prominent, reaching 5.66% in December compared with 1.87% in January.

MONTHLY DELIVERED SALES AMOUNT (INR M)

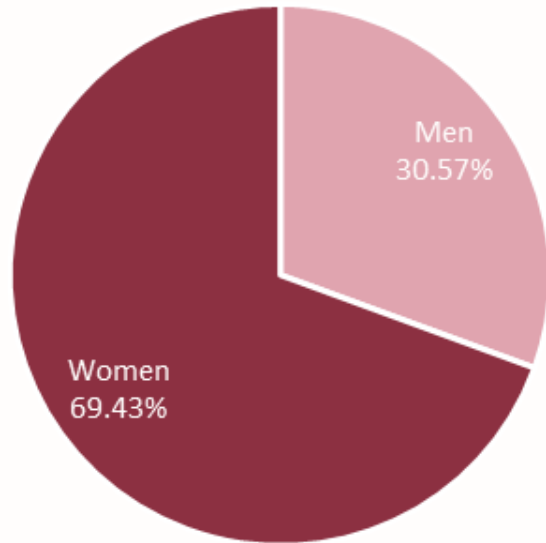

MONTHLY NON-DELIVERED STATUS SHARE (%)

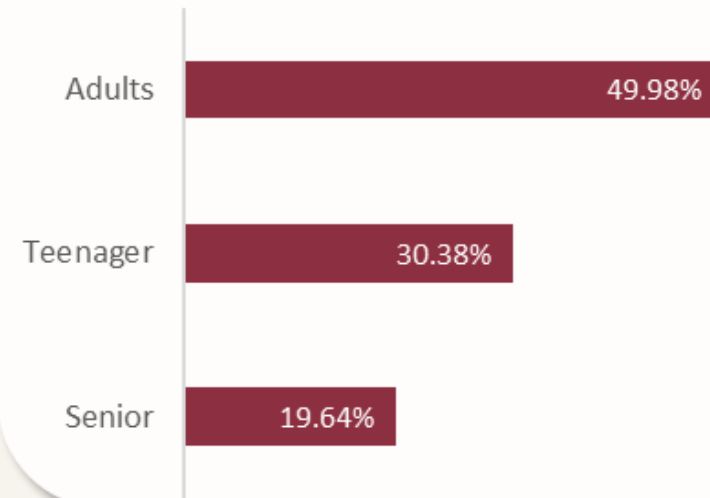

Women and adults represent Vrinda's core customer profile, accounting for 69.43% and 49.98% of Delivered sales records, respectively.

SALES DISTRIBUTION BY GENDER

SALES DISTRIBUTION BY AGE GROUP

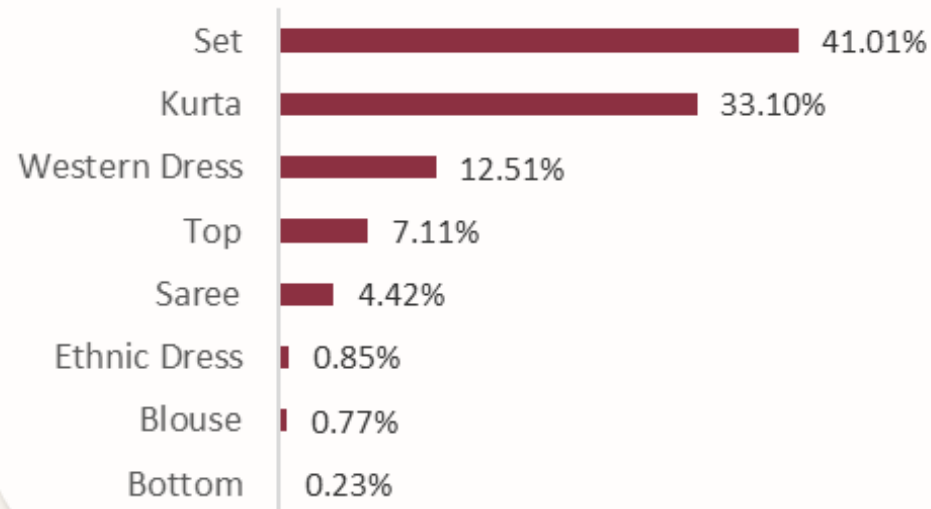

AVERAGE AGE – ADULTS

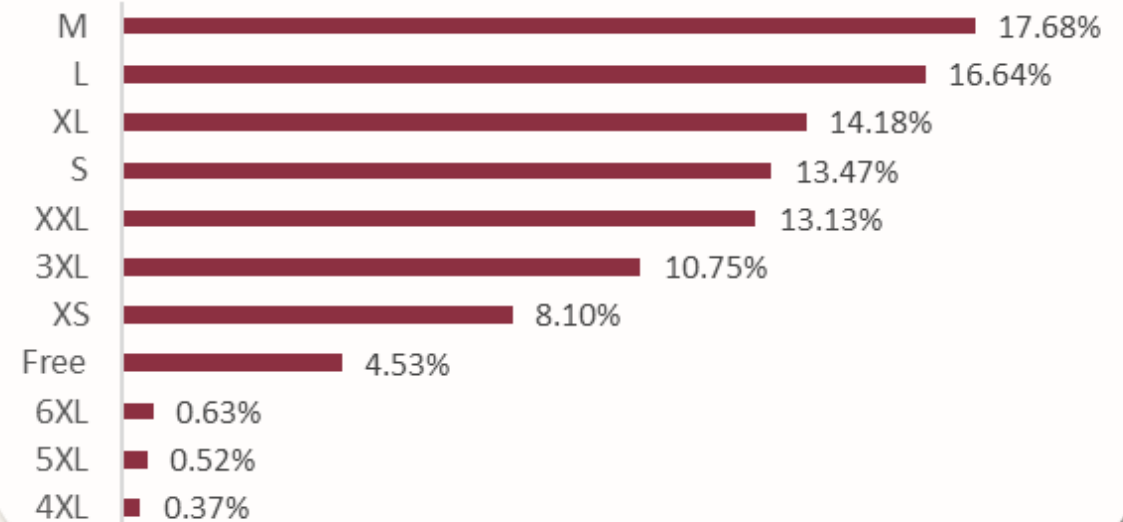

40 YEARS

Set, Kurta and Western Dress account for 86.6% of Delivered items sold, while M, L and XL represent 48.5% of items across all categories.

ITEMS SOLD BY CATEGORY

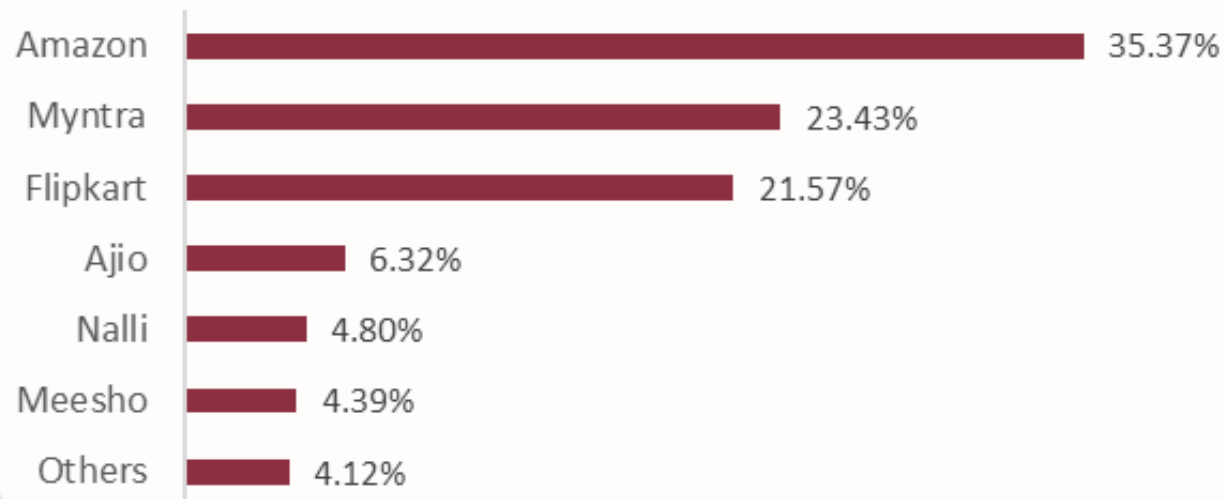

ITEMS SOLD BY SIZE

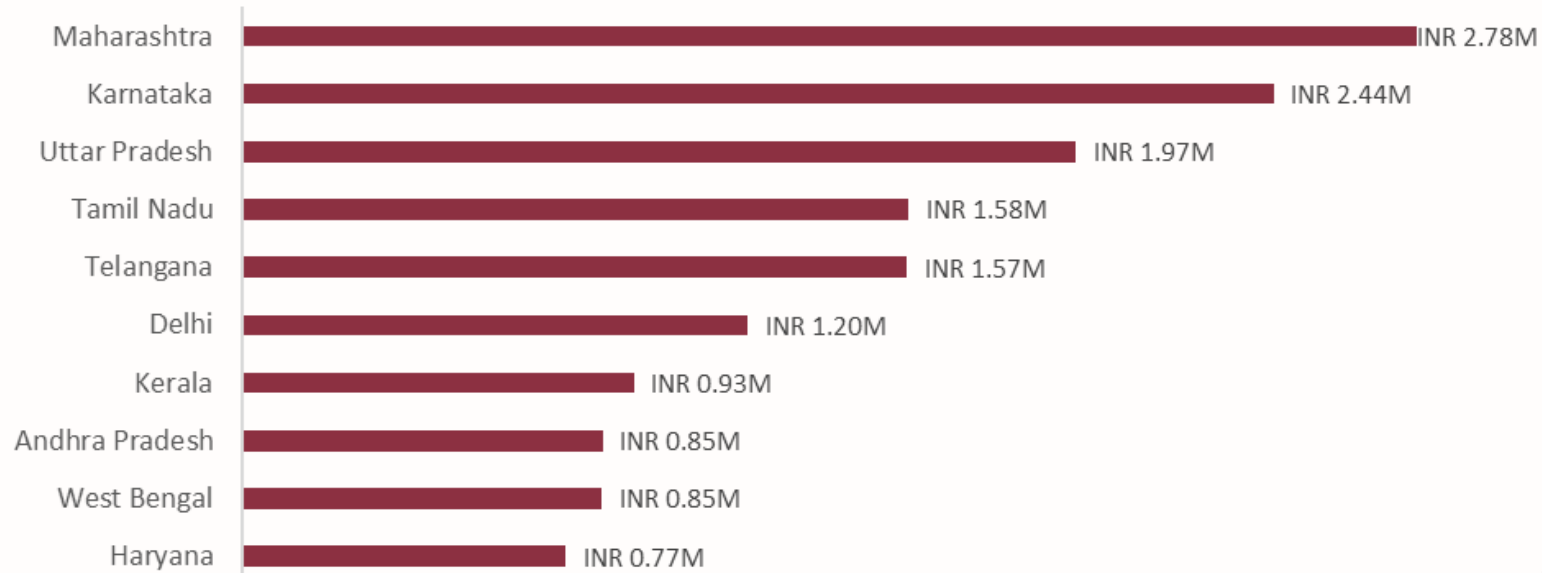

Amazon, Myntra and Flipkart account for 80.4% of Delivered sales amount, with Amazon alone representing 35.4%.

TOTAL AMOUNT BY CHANNEL

The Top 10 states account for 76% of Delivered sales amount, led by Maharashtra, Karnataka and Uttar Pradesh.

TOP 10 STATES BY TOTAL AMOUNT

The analysis highlights four areas to explore for sales growth, while non-delivered sales represent an additional area for further investigation.

CUSTOMER PROFILE

Women and Adults

Women represent 69.43% of Delivered sales records, while Adults account for 49.98%.

PRODUCT MIX

Set, Kurta and Western Dress

These three categories account for 86.6% of Delivered items sold.

SALES CHANNELS

Amazon, Myntra and Flipkart

These three channels account for 80.4% of Delivered sales amount.

GEOGRAPHY

Maharashtra, Karnataka and Uttar Pradesh

The Top 10 states account for 76% of Delivered sales amount, led by these three states.

AREA FOR FURTHER INVESTIGATION

Non-delivered records represent **less than 10%** of sales records. Their main drivers should be further investigated, particularly the **increase in Returned records toward year-end**, to assess whether corrective actions are needed.
